

April 4, 2017 municipal election

To see specific candidates that have filed contact the district in question or the County Clerk's office.

**** a non-election**** the number of candidates who have filed for a particular office is equal to the number of positions in that office to be filled by an election. For this reason, no election shall be held and the candidates shall assume the responsibilities of their offices at the same time and in the same manner as if they had been elected.
