

On December 4, 2018 at 9:00 a.m. the Jasper County Commission met to approve the purchase of a 2018 Dodge Ram 3500 6.7L Diesel Truck for the Jasper County Highway on an emergency basis. The Highway Department recently lost a truck due to an accident. This truck will replace that truck and is needed for the upcoming winter season for snow removal. The truck is not available by State bid for approximately 8 months. After taking three phone bids, Country Dodge of Cassville, Missouri had the lowest bid of \$40,500.00. Darieus Adams, Tom Flanigan and John Bartosh were present. Darieus Adams made a motion to approve the purchase of the truck on an emergency basis in the sum of \$40,500.00 and Tom Flanigan seconded the motion and the motion passed.

Respectfully submitted,

Thomas Flanigan
Eastern District Commissioner

John Bartosh
Presiding Commissioner

Darieus K. Adams
Western District Commissioner
